

WARRANTY INFORMATION

All work performed by Contractor under this contract is warranted to be free from defects in material and workmanship for a period of one year from the date the pool began operation except as follows:

POOL STRUCTURE – (Concrete/Shotcrete Shell) – Lifetime Guarantee. The pool structure is guaranteed to remain structurally sound for as long as the client owns the pool. This guarantee is offered by the subcontractor who performed the procedure.

POOL DECKING – All concrete deck work is guaranteed for a period of four years from the date the pool began operation. A word of caution: when concrete is installed correctly, it comes with two guarantees; it will get hard and it will crack. We make efforts to anticipate cracking with expansion joints and control joints. We will not be responsible for hairline cracks, damage caused by earth movement or by obvious mistreatment. Fading of spray deck colors due to exposure or pets is not covered under the warranty. Sealants are considered routine maintenance and therefore not covered under the warranty.

POOL EQUIPMENT – All heaters, filters and pumps, including parts and labor, is covered under the manufacturer's warranty for a period of three years. Equipment failure caused by obvious mistreatment or neglect is the responsibility of the owner.

ELECTRICAL – All electrical wiring, including the blower for spa, is covered for a period of one year from the date the pool began operation.

PLUMBING – All plumbing for pool is covered for a period of three years from date pool began operation. The warranty does not cover homeowner negligence, running pump dry and must be free from defect.

POOL FINISH – Depending on the type of finish used in the pool, the finish is guaranteed to be free from defects for the following periods:

Gemstone/Pebble Tec: Five Years

3M Quartz: Five Years

Plaster: Four Years

This guarantee is offered by the subcontractor who performed the procedure.
